Lying between fertile farmlands to the north and Bankhead National Forest to the south, this property also provides a natural travel corridor for abundant wildlife. The hardwood timber on the property was recently harvested leaving several nice openings ready for a house pad. With roughly 400 feet of paved road frontage along County Road 22 these ten acres have excellent access and are located fifteen miles west of Moulton and only 62 miles southwest of Huntsville, Alabama. Water and power are available at the road.
