

Property Details:

Price : \$94,000
County : Winston
Acreage : 92.00
Address : Chambers Road
MOPLS ID : 19105

This is a great location for your get-away cabin or dream home. With several good build sites, municipal water and power, this property will be very easy to develop. Sitting just a couple miles southwest of Double Springs, AL, on Chambers Road, it is a very convenient tract to access.

Located in an area known for great hunting, this is an excellent hunting tract for deer, turkey, and other small game. With two established green fields, additional opportunities to add additional green fields and an internal road system, there are many hunting opportunities. Most of the pine timber on the ridges was cut in 2021, leaving a good mix of hardwoods in the stream management zone. The property consists of 92 +/- total acres that are made up of 74 +/- acres of cutover and 18 +/- acres of hardwood stream management zones.

Call/Text Jim Greene today at 256-227-4869.
